Although families come in all shapes, a Mom is often considered the heart of the family with her unconditional love, while a Dad can be key to a family's spiritual and financial well-being.

In addition to our annual Mother's Day carnation sale, we are again offering a small gift for Fathers. It is gold foil-wrapped chocolate coins (dark chocolate-mint/ or milk chocolate) stamped with a key on one side and "Dad" on the other.

To make it simple, ordering and picking up will take place at the same time for the two events. Please use this form to fax or mail in your order. Flowers and coins will be picked up the Friday before Mother's Day at the place and time listed above.

The carnations will be in a bucket of water and need to be stored at room temperature-allowing the buds to open for Mother's Day. The chocolate should be kept at room temperature too. Both items must be kept out of heat or direct sunlight.

We encourage you to join us in this opportunity to honor Moms and Dads on their special day. Proceeds to benefit Right to Life-Livingston County.

- Carnation orders must be placed by April 24
- Suggested donation of \$1/carnation, \$1/two coins
 - Please order carnations in groups of 25
 - Visa, MasterCard, Discover accepted
